**Design Competition**

Eligibility: All registered Cub Scouts in the New Horizons District, from Tiger Cub to 2nd Year Webelos, including those 2nd year Webelos that qualified at the Pack level but have crossed over to a Troop prior to the District Race. An entry fee of \$3.00 per scout will be charged this year.

**The Design Competition rules are:**

Cars entering the Design Competition must be newly built (after September 1st, 2009). The car must meet all of the requirements stated in the Rules of the Road for the Speed Competition with the exceptions of the length, height and weight requirements.

Registration for the Design Competition will take place any time between 9:00 a.m. and 1:00 p.m. TBD. Entrants must register their cars at the Design Tables **and** declare which design category they would like to be considered for. They will then receive a registration number and sticker for their car. Judging of the cars will begin at approximately 1:15 p.m. with awards being presented at approximately 3:00 p.m. If a participant is entered in the speed portion of the derby, and is eliminated prior to 1:00 p.m., the Scout may retrieve his car and enter it into the design competition.

**The Design Competition categories are:**

**Judge's Special:** Best overall entry from all design categories. This entry is chosen *before* all other design categories are chosen. Either a car or a non-car design.

**Best Automotive Design Car:** Best realistic representation of an actual car with unusual attention to detail and shape.

**Original Design:** Best reflects the most unusual approach in other than a car design. For example, a pool table, dragon, pirate ship, submarine, fish, campsite, etcetera.

**Best Concept Car:** Best reflects a novel and different approach in a car design. For example, a Batmobile, jet cars, futuristic cars, manufacturer's prototype cars, etcetera.

**Cub Special:** Best use of the Cub Scout colors, BLUE & GOLD. Either a car or a non-car design.

**Funniest Design:** Most humorous approach. Either a car or a non-car design.

**Cub Built:** Best 99% Cub built car. Either a car or a non-car design.
